*Art & Musings*

We are very excited to introduce ourselves and our new line of beautiful greeting cards. These quality cards are reproductions from original oil paintings by Shannon Richardson.

Based in a small town on the Western Slope of Colorado, we are offering a selection of our most popular images as wholesale cards to you.

Please find our initial collection of 5 cards inside and instructions for easy ordering on the back.

We are available anytime as a small husband / wife team to assist in placing your order.

Each time you call you will reach one of us personally.

*We look forward to hearing from you!*
